

## **DIRECTIONS TO OFF-SITE PARKING**

1. Exiting the Nature Center, turn **RIGHT** onto Cedar Ln.
2. Stay in right-hand lane to go under the Route 32 overpass.
3. Continue straight through the stop light at Guilford Rd.
4. Immediately prior to the turn for the parking lot, you will pass a ball field (on your left, through the trees).
5. Make a **LEFT** on Center Road. Park in the lot on the right.

*(It is 1.3 miles from the Nature Center to the Johns Hopkins Applied Physics Lab parking lot. If you see a gated entrance for Building 23 on your left, you have gone too far).*
